### KHAO SOK LAKE TOURS

As a quality Thailand travel service provider, "Khao Sok Lake" wants you to get the most out of the time you spend with us and that includes value!

When you join Khao Sok Lake Tours we manage all the details for you, so that all you have to do is to relax and enjoy your holidays.

#### PRIVATE TOURS

In Khao Sok Lake's Private Tours, you and your group have your own boat and English-speaking guide for the duration of your stay with us. This allows you to customize your program to fit your unique travel needs and allows your departure and arrival times to be more flexible. It also allows you to select the floating bungalow of your choice, pending availability of course. If you have 5 or more people, the price per person is the same as the group tour.

#### GROUP TOURS

Because transportation is a large part of the expense of visiting Khao Sok Lake, we are able to offer you a discounted rate by joining you with a larger group. Meeting other travelers is one of the best parts of spending your holiday abroad and makes experiences even more memorable. With the group option we guarantee the quality of your trip, but not the individual raft house.

\*Please note: National Park entrance fee not included (200 baht per person)
